800m /1600m Prelim:

- 800m, 1600m prelims are based on entry numbers and or scratches. If these events are listed (live pages or program) as a final only, then there will be no prelim and the event will go straight to finals. If they are listed as a prelim, then we are running that prelim unless canceled by the clerks at the time of the event.
