Hello Coaches and Athletic Directors!

This year Seneca East will be hosting its fourth annual nighttime meet, and as you are aware, this one is SPECIAL! We are extremely excited to have this opportunity, and have been working extraordinarily hard in an attempt to cover all of the details like t-shirts, parking, concession stands, skydiving, and fireworks! The course is different from the normal Tiger Classic course (if you have run at that meet). This course starts behind the baseball/softball fields, runs onto the track, then adds a loop in the woods, before coming back along the township road and heading onto the track to finish under the stadium lights in front of the grandstands! On the day of the race, the course will be clearly marked and painted as if it's a highway. Course maps are attached to the email, and will also be in each of your packets at the meet. There are three divisions for the meet, Division 1 (Stars), Division 2 (Stripes), and Division 3 (Lights). Division 1 is the only division to have an open race (due to numbers). In Division 1, up to 14 athletes can compete in the varsity race, runners 15-end must compete in the open race. Division 2 and 3 will have unlimited entries. We will be using electronic chip timing! Please ensure you turn in all used and unused chips at the awards table! Any chip not turned in will result in a \$25.00 fee sent to your school athletic director. We truly hope you enjoy your evening at Seneca East! Any feedback is more than welcome, and will be reviewed for future meets as our ultimate goal is to put on a first-class event for everyone!
