Hinckley, OH 44233

Most of the information you need is available on www.baumspage.com or the OHSAA App powered by iWanamaker. You do not need to submit a roster as your team is automatically populated into Baumspage when you qualified. That information on Baumspage includes the following plus a few other items:

1. Starting and Range times plus the initial player position for qualified teams.
2. Rules of play.
3. Pine Hills W9 for practice rounds.
4. Ticketing and other Spectator information – No spectators age 7+ will be allowed in without a paid ticket – This includes assistant coaches.
5. Coaches cart rules. Although two coaches are permitted, only one cart per school may be purchased.

Any changes to your lineup must be made by 10 AM Sunday, October 6th via email to Head PGA Professional, David Kinnell at david@golfpinehills.net. After 10 AM, player position orders will not change. However, substitutions may be made, but the substitute player(s) must play in that replaced player(s) position.

Tee Times for practice rounds are as follows:

1. Please inform the course when calling that you are a qualifier (team or individual) first before asking for a time on the weekend. This will take away some confusion. Times are blocked for the schools and if you do not identify yourself, they will tell you all 18-hole times are booked.
2. We ask that **only** the Head/Assistant Coach call in for practice round tee times.
3. Weekend tee time rules:
 - a. You may schedule only ONE weekend time prior to Wednesday, October 4th. If there are any open times available starting the 4th, you may schedule on the other day as well.
 - b. Teams may book only two tee times and individual qualifiers only a twosome.
 - c. Practice round pricing is \$33 per player. 9-hole practice round cost \$19
4. Weekdays
 - a. You may book what you need after your Sectional Tournament through Friday.
 - b. Cost per player is the same as above.
5. No practice putting after each hole. Pin placements will not be finalized until Sunday night.
6. No spectators allowed for practice rounds.
7. Practice rounds MUST be paid for that day. Tournament fees are paid by OHSAA.
