#14 – If your ball is over the back of the green and enters the *lateral water hazard* you will have to go to the nearest drop zone and will be assessed a **one stroke penalty**. There are drop zones to the back left of the green and to the right of the cart path right of the green. If your ball enters the *lateral water hazard* to the right of the green and cart path you must proceed under “*Lateral Water Hazard*” rules listed below and will be assessed a **one stroke penalty**. Also, if your ball comes to rest on the cart path in the section between the green stakes you are entitled **free relief** and must go to the nearest drop zone. 2. Proceed under the stroke and distance provision of Rule 27-1 by playing a ball as nearly as possible at the spot from which the original ball was last played (see Rule 20-5).
3. Drop a ball behind the water hazard, keeping the point at which the original ball last crossed the margin of the water hazard directly between the hole and the spot on which the ball is dropped, with no limit to how far behind the water hazard the ball may be dropped.
4. Additional options available **only** if the ball last crossed the margin of a lateral water hazard, drop a ball outside the water hazard within two club-lengths of and not nearer the hole than (1) the point where the original ball last crossed the margin of the water hazard or (2) a point on the opposite margin of the water hazard equidistant from the hole.

When proceeding under this Rule, the player may lift and clean his ball or substitute a ball.
